Nursing Superintendant	- Dr. (Mrs) Rose.K

#### **Wardens**

Warden-Men	- Dr. Prasanna Sundararajan, Asst. Professor, Physical Education
Warden-Women	- Ms. Zakeya Najimudeen

## **PONDICHERRY INSTITUTE OF MEDICAL SCIENCES**

**(A Christian Minority Institution)**

(A UNIT OF THE MADRAS MEDICAL MISSION)

### **Motto: "To Reach the Unreached"**

Pondicherry Institute of Medical Sciences aims to 'To Reach the Unreached' in the community through compassionate practice in the profession of medicine through committed teaching and advance the science of medicine through constant research.

### **The Beginning**

Pondicherry Institute of Medical Sciences is the outcome of the vision of the Madras Medical Mission to create a medical school offering innovative medical education with international participation. The aim is to produce health professionals with a commitment, not only to provide high quality medical care but also do research to prevent and alleviate disease processes. The hospital and college are set up in serene environment of greenery on the East Coast Road near seacoast, 12 miles north of Pondicherry town, the land of Auroville and Aurobindo Ashram enriched with French traditions.

The then Honorable Home Minister of India, Sri L.K.Advani laid the foundation of the hospital and college building on 12<sup>th</sup> July 2000. The Emergency Block was inaugurated on March 8, 2001 by the then Chief Minister of Pondicherry, Thiru. P. Shanmugam and the hospital units started functioning from October 2001. All specialty departments of the hospital started functioning from January 2002.

### **Development**

In the first phase, a hospital and college was developed within a span of two years to provide health care, community outreach programmes and medical education. The college and hospital, spread about 45 acres of land close to the Bay of Bengal has separate buildings constructed for Basic Sciences, outpatients and inpatients. The Hostels for students are in the same campus and also has recreational facilities.

In the next stage of its growth, the hospital expanded to provide specialized treatment facilities in all super specialties and established a College of Nursing.

At present, the Institution offers postgraduate programmes in all disciplines with emphasis on education, research and treatment with international inputs to give the best care to the people from India and abroad. The hospital at present has 640 beds and is to be expanded to 1000 beds in the coming years.

### **Community Health Programmes**

Consistent with our vision 'To Reach the Unreached', PIMS has established various Community Health Outreach centers; Urban Health Centre at Muthialpet, Rural Health Centre at Anichakkuppam, and Rural Health & Training Centre at Chunampet. In addition PIMS has been actively supporting the Govt. Primary Health Centres at Kalapet, Muthialpet, Allankuppam and the Pondicherry University's Health Centre under the Public Private Partnership.

### **General Information**

Pondicherry Institute of Medical Sciences (a unit of the Madras Medical Mission) is an Unaided Christian Minority Institution affiliated to the Pondicherry University and has been granted permission by the Medical Council of India to conduct the following post graduate degree courses

<b>Group – A</b>	<b>Group – B</b>
<ol style="list-style-type: none"> <li>1. MD General Medicine</li> <li>2. MD Paediatrics</li> <li>3. MD Dermatology</li> <li>4. MD Psychiatry</li> <li>5. MS Obstetrics &amp; Gynaecology</li> <li>6. MD Anaesthesiology</li> <li>7. MS ENT</li> <li>8. MS Ophthalmology</li> <li>9. MS Orthopedics</li> <li>10. MS General Surgery</li> <li>11. MD Radio Diagnosis</li> <li>12. MD Pulmonary Medicine</li> </ol>	<ol style="list-style-type: none"> <li>13. MD Anatomy</li> <li>14. MD Physiology</li> <li>15. MD Biochemistry</li> <li>16. MD Pharmacology</li> <li>17. MD Pathology</li> <li>18. MD Microbiology</li> <li>19. MD Community Medicine</li> </ol>

**Service Obligation:** The Management reserves the right to insist for a Service obligation at Pondicherry Institute of Medical Sciences from those PG candidates who complete the course successfully.

All admitted to the **Group-A** courses will have to undertake a **service obligation**, to work in an area of need for a minimum **period of one year** after completion of training. This process is expected to nurture our graduates/Post Graduates into a lifetime of service and allows them to work in learning environment where they can make informed decisions about their future careers.

Students who do not fulfill the service obligation will not be eligible for admission to higher Postgraduate studies or for appointment as staff of PIMS. They will not be given any certificates other than those statutorily mandated by the University and respective Professional Councils.

### **Eligibility for Admission**

Candidates who have qualified for the M.B.B.S Degree of the Pondicherry University or any other University recognized as equivalent by the Pondicherry University and the Medical Council of India and have completed their compulsory rotatory residential internship and obtained full registration before 31/03/2017 are eligible to apply for the postgraduate degree courses.

As a pre requisite of admission to the P.G. course, the candidate must have qualified in the NEET PG - 2017 examinations as per the guidelines issued by the National Board of Examinations (NBE).

The candidate should fulfill the necessary admission requirements prescribed by the Medical Council of India (MCI) and Pondicherry University for that degree course.

**The Medical Council of India (MCI) / Ministry of Health &FW, Government of India,**

**&**

**Affiliated to the Pondicherry Central University, Puducherry (As of January, 2017)**

1	M. Ch (Plastic Surgery)	1	1

*A separate method of selection would be followed for the superspecialty course.*

## Admission to Post Graduate Medical Course at PIMS (Puducherry)

### General

Pondicherry Institute of Medical Sciences will not conduct any separate entrance examination for admission to the PG (MD/MS) courses for 2017.

Only NEET PG (2017) qualified candidates will be considered as per the guidelines issued by the National Board of Examinations

### Duration of the Courses

As per the *MCI postgraduate Medical Education Regulations, 2000*, 10(1) & (3), the duration of the course including University Examinations is 3 years in the case of Degree courses. There shall be an exemption of one year in the duration of PG degree courses in respect of candidates who have done PG diploma course of two years and awarded Diploma in the same subject. The candidates must have acquired the PG Diploma pass certificate on or before 31<sup>st</sup> March 2017 for being eligible for reduction in the duration of the course. No other reduction in the duration of the course shall be granted.

### Instruction and Guidelines to Fill the Application Form

Candidates should fill their application in the prescribed format and send it directly by Post/ Courier to the Registrar, Pondicherry Institute of Medical Sciences. Candidates can use either the application form given along with the Information brochure, or download the application from the website [www.pimsmmm.com](http://www.pimsmmm.com)

Candidates who use the downloaded application form have to pay Rs.2500/- (Rupees Two Thousand Five Hundred only) through a Demand Draft separately towards the cost of the application along with the completed form. The Application and information booklet can also be obtained in person on payment of Rs 2,500/- (Rupees Two Thousand Five Hundred only) by cash from the Office of the Registrar, Pondicherry Institute of Medical Sciences or can be obtained by Post by sending a requisition along with Demand Draft for Rs.2550 /- (Rupees Two Thousand Five Hundred and Fifty only) inclusive of postal charges drawn in favour of **Pondicherry Institute of Medical Sciences**, payable at Puducherry.

## **CERTIFICATES REQUIRED IN ORIGINAL TO REGISTER FOR ADMISSION:**

All the relevant certification/ documents (Originals) listed below should be submitted to the Institution and the same will be returned to the candidates only at the time of leaving the Institution.

## **Some facilities available for Postgraduate trainees**

**Academic & Research activity:** PIMS supports an active research programme to enable all PG students to broaden their experience, the PG trainee is encouraged to participate in research activities. A Research Methodology course which would include sessions on Bioethics will be conducted for all newly selected postgraduate students. This is to support them in their MD/MS dissertation work. All PG students are encouraged to undergo online certificate courses on Research Methodology, General Clinical Practice (GCP), CITI-India program.

All PGs are encouraged to utilize the books and Journals available at their respective Departmental Libraries. The Institute's Central Library has all the required books, periodicals and journals, a dedicated section for PG students for both reference work and personal reading is available.

**Recreation:** Facilities for games, sports and a gymnasium are available in the campus. All PG students are permitted and encouraged to use these facilities.

**Student/Staff Health Clinic:** The medical needs of the students and staff of PIMS are met through the clinic provided for this purpose. Hepatitis B Vaccination is mandatory for all PG students.

**Method of training:**

Training of Post Graduates, as per MCI Post Graduate Medical Education Regulations, 2000, “The training of PG students shall involve learning experience 'derived from' or 'targeted to' the needs of the community. It shall be necessary to expose the students to community based activities.”

Generally, the residency programme with graded responsibility would be followed in the respective departments. The curriculum and syllabus of each department is available separately. Training will also include outreach community programmes of the medical college.

**Attendance & Leave**

A minimum of 80% attendance in each academic year is compulsory. Students availing long leave will be able to appear for the examination only after additional six months/ one year.

Those students who miss university examination can appear only in the next university examination, which will normally be held within six months from the date of the earlier examination or as per specific directives of the Pondicherry University / Medical Council of India.

## **DISCIPLINE:**

1. Rules and regulations as prescribed should be strictly followed at the college, hospital and hostels
2. Smoking and alcoholic drinks are prohibited.
3. Students are expected to dress up neatly and decently. Jeans, Baggies, T-shirts and the likes are not permitted to be worn inside the hospital/ college during duty hours.
4. PG students should have Identity card while in the class or in OPD
5. PG students should wear white apron while in the OPD and wards
6. Indulging in group activities / canvassing for or against any political, ethnic, social, cultural or religious groups are not permitted inside the campus.
7. Students should not get involved in illegal or immoral activities in the institute premises. Action as per law of the land will be taken against them.
8. PG students are expected to observe discipline in their conduct during the entire period they spend in the institution. Failure to observe discipline will invite appropriate disciplinary action.
9. **Ragging is strictly prohibited.** If it is found during the admission or any time there after that the applicant has indulged in ragging in the past, admission may be refused or the PG student shall be expelled from the institution. Whoever commits, participates in, abets or propagate ragging within or outside the institution shall be suspended from the institution with immediate effect and the Director-Principal shall report the matter to the civil/ police authorities
