* Journal club – One journal can be taken - detailed discussion of one article with brief summary of 1 or 2 more articles

*Review – Interesting cases in all sections will be discussed. The concerned AP/ Assoc Prof is responsible for choosing the cases. Concerned PG will discuss.

* All seminars / Journal club / Slide and gross discussion / Technical discussions should be finished within the month. It's the post graduate's responsibility to see it's completed.

Discussion in the last week of the month can be carried to first week of the following month, if not taken.

Request all post graduates to give a post test after every PG program that is being presented.

Dr. Moses Ambroise
Professor & Head, Pathology
